

# MA-1530 MA-1535

**An affordable all-in-one ECR,  
especially for grocery stores,  
with sophisticated user-friendly  
scanning features.**

#### **A dream come true for grocery store owners**

The new standalone MA-1530 and MA-1535 electronic cash registers from TOSHIBA TEC have been specially developed with the needs of the grocery owner in mind. Affordable, sophisticated and easy to operate, the all-in-one MA 1530/1535 does all the hard work you would expect from your cash register and helps you to concentrate on building your business.

#### **Low cost Scanning**

The ultimate purpose of this new ECR is to enable grocery storeowners to further improve quality of service and increase profitability. The affordability of the MA-1530/1535 makes it ideal for users who want to achieve such goals by significantly reducing processing time at checkout, ensuring consistency and accuracy of item registration, transaction handling and eliminating the risk of cashier errors.

# MA-1530 MA-1535

## Dot or thermal printer: the choice is yours

The MA-1530 comes equipped with a dot printer while the MA 1535 is supplied with a thermal printer. Each one has its own advantage: lower running costs for the dot printer, silence & quietness for the thermal one. So depending on your budget and purposes, the choice is yours.
